### Product News

#### GoPro Hero 3+ Lens Mounts from Full Motion Video

Full Motion Video has released a new line of lenses and adapters for the GoPro Hero 3+ camera. These products allow for long range lenses to be used for recording video and/or taking pictures with the GoPro Hero 3+ digital camera. Lens adapters include a 20x telephoto lens, a gun scope adapter, and a C-mount lens adapter, which allows the camera to be used with any C-mount lens.

The GoPro is inserted into a plastic housing, which is connected to the lens. Buttons on the plastic housing allow for control of the camera while it is inserted into the unit.
