Volume III Issue 2

Van Cleve & Associates, Inc.'s monthly newsletter is intended to keep you, our valued customer, up to date with announcements regarding our latest products and technologies, upcoming exhibitions and conferences, and other news and events in the security and surveillance industry.

### Product News

#### Panasonic: i-PRO Ultra 360 Dome Cameras High Resolution 360° Indoor & Outdoor Dome Cameras

Panasonic has recently released their new i-PRO ULTRA 360 panoramic indoor (WV-SFN480) and outdoor IP66 rated weather and vandal-resistant (WV-SFV481) fixed dome 360 degree panoramic cameras offering ultra-high resolution, ultra sensitivity, ultra intelligence and ultra-toughness.

The WV-SFN480 and WV-SFV481 are the first of a series of models based on Panasonic's new, ground-breaking 12 megapixel sensor and 4K ULTRA HD engine. The cameras produce a 9MP (3K x 3K) Fisheye image at 15fps and a 4MP Fisheye image at 30fps to capture crisper edge-to-edge images that deliver virtually the same resolution and coverage area as four conventional 720p security cameras, thereby increasing system efficiency. The cameras also come equipped with advanced analytic capabilities, providing additional insight and information on the target area.

#### CDM Wireless: V-Bridge Plug-&-Play Wireless PoE Ethernet Bridge

The new V-Bridge is an ideal solution for short distance, line of sight point-to-point applications. Features integrated antennas and requires only a single Cat5 cable for both power and data.

Features:

- PoE 802.3af
- 5.8 GHz
- 150 Mbps modulation
- Maintains PTP links up to 2 miles
- SNMP technology ensures hassle free integration with existing networks

#### ACTi: ENR-190 Rack Mountable NVR in a Slim Case

- 16 Channels
- Up to 4 Hard Drives
- Up to 24TB Memory
- Event Management
- 1U Rack Space
- Remote Access via Web Client (IE) and Mobile Client (iOS & Android)

### Other News & Notes

Please contact VC&A for additional information on these or any of our products, or to schedule a demo.

#### ISC West: April 14-17

The Largest Security Industry Trade Show in the U.S.

Learn about new and future products as you meet with technical reps from over 1,000 exhibitors and brands, both domestic and international, and network with over 28,000 security professionals. While you're there, be sure to take part in one of the many education seminars.

#### Have You Seen? – Investigation Discovery's new TV Series "See No Evil"

The new series shows actual video surveillance footage assisting law enforcement in solving real-life crimes. New episodes premier on Tuesdays at 10:00 (Eastern Time) on Investigation Discovery – Check it out!
