Other News & Notes

Panasonic & Video Insight

As you may have heard, Panasonic acquired Video Insight, a leading developer of VMS software. This new acquisition provides additional value to Panasonic customers, as new IP cameras now include an unlimited Video Insight license. This means that in addition to a high-quality surveillance camera, customers are now also receiving a robust video management system, all in a single package!

NATIA

VC&A will be exhibiting at the 31st annual NATIA training conference and technology expo from July 11th – 15th at the Washington State Convention Center in Seattle, WA. Come by and see us in **Booth 819!**

Bosch YouTube Channel

Looking for technical tutorials on Bosch cameras, encoders, decoders, Video Security Client, Video Recording Manager, DIVAR IP, the Bosch Video Management System, and more? Look no further than the Bosch TS2GO YouTube Channel! Check it out at <https://www.youtube.com/user/BoschTS2GO/featured>
